DECLARATION UNDER 37 C.F.R. §1.132

I, Ulrich DAHN hereby declare that:

1. I am Ulrich DAHN.
2. THAT in 1993 I received a Degree in Chemistry from Universität Mainz.
3. THAT in October 1997 I became an employee at BASF, which is now Basell Polyolefine GmbH, located at Industriepark Hoechst, D-65926 Frankfurt.
4. THAT I have a background in developing injection molding grades, and product portfolio development.
5. THAT I am a co-inventor of the above-identified U.S. Patent Application Serial No. 10/522,082 (referred to as "the

present application") entitled "AT LEAST TWO-STAGE PROCESS FOR PREPARING PROPYLENE POLYMER COMPOSITIONS", which is the U.S. National Stage of International Application PCT/EP2003/008258, filed July 23, 2003, and which claims priority to German Patent Application No. 102 33 700.4, filed July 24, 2002, and U.S. Provisional Patent Application 60/401,947, filed August 8, 2002, and I am familiar with the disclosure and claims of the present application.

6. THAT I am a co-inventor of International Patent Application PCT/EP01/05911 to Dahn, et al., filed May 23, 2001, which is published as WO 01/90208 (referred to as "the '208 publication), and I am familiar with the disclosure therein.

7. THAT I am a co-inventor of the subject matter which is disclosed in the '208 publication, which is also disclosed and claimed in the present application.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the present application or any patent resulting there from.
